

# NOTICE TO ALL PATIENTS

## Acknowledgement of participation in the West Virginia Board of Pharmacy Controlled Substances Monitoring Program

Efforts are being made to control prescription drug abuse. Please be advised that ALL patients will have their prescription history reviewed by Dr. Walls with the **West Virginia Board of Pharmacy Controlled Substance Monitoring Program** prior to any prescription being written. If you have been prescribed a controlled substance recently, your prescribing physician may be notified by our office prior to receiving new prescriptions.

I have read and understand this acknowledgement of WV Board of Pharmacy Controlled Substance Monitoring Program Search.
